invites you to join us for

## **Cautions and Unexpected Revelations when using DNA to Grow your Family Tree**

by **Tammy Priolo, BAsC, PLGS**

The Ancestor Investigator

**Saturday, November 21, 2020**

**10:30 a.m. C.S.T**

Via Zoom

There is no fee, but pre-registration is required. Register in advance for this presentation at:

[https://us02web.zoom.us/meeting/register/tZMuf-Cspi8vE9Y-sSqsprqRprdj\\_qGLeK1V](https://us02web.zoom.us/meeting/register/tZMuf-Cspi8vE9Y-sSqsprqRprdj_qGLeK1V)

After registering, you will receive a confirmation email containing information about joining the meeting.

### **About the Presentation:**

In this presentation we will discuss cautions while using DNA to build your family tree including privacy, trustworthiness, making contact with others, the ever-changing field, etc., as well as unexpected revelations including half siblings, community connections, adoptions, etc. Knowing the pitfalls and where to step when building your tree with DNA results will help you stay on track and give you confidence that you are tracing the correct family lines.

### **About Tammy Priolo, BAsC, PLCGS:**

Tammy Priolo was born and raised in Northern Ontario and now resides in Southern Ontario. She graduated from the University of Guelph with a BAsC Honours. She received her Professional Learning Certificate PLCGS with Distinction from the National Institute for Genealogical Studies in 2003. She has 27+ years of experience in the genealogical field, volunteering for the local FHC for nine years, opening her business 'The Ancestor Investigator' in 2000, consulting, researching as well as lecturing and writing nationally and internationally since 1997 in person and online on various genealogical topics. She is a member of the Association for Professional Genealogists (APG), Genealogical Speakers Guild, Ancestry.ca Advisory Board & Ontario Genealogical Society. She specializes in Canadian, Ontario, Quebec, Native & French-Canadian research with research also conducted in Great Britain, Ireland, USA & Italy. To learn more about her, check out her website at [www.ancestorinvestigator.com](http://www.ancestorinvestigator.com)
